PRESS RELEASE

For Immediate Release

Inmate at Anchorage Correctional Complex Tests Positive for COVID-19

5/19/2020 (Anchorage) – An inmate at the Anchorage Correctional Complex (ACC) has tested positive for COVID-19. The Department of Corrections (DOC) was notified of the positive test result this morning, 5/19/2020. This is the second inmate in DOC custody to test positive for the virus.

DOC is working with the State Section of Epidemiology and public health officials to begin the contact investigation. The department continues to take immediate action to protect the health and safety of all staff and inmates and implement the Response Plan, which has assisted in mitigating and containing the spread of the virus within our institutions. This is an ongoing investigation and more information will become available in the coming days.
