Travel 17.2 miles on Knik-Goose Bay (KGB) Road and turn right onto Pt. Mackenzie Road.

Pt. Mackenzie Road will end at a "T"; turn left at the stop sign. 4.5 miles down Pt. Mackenzie road, the institution will be on the left. Within the last half mile signs will explain access onto the prison grounds. Visitors are to use the second left which is Alsop Road and park in visitor parking.

Those who wish to utilize GPS, the address to use is:

## Transportation

Visitors are responsible for transportation to and from the institution. Any visitor unable to provide transportation after a visitation will be barred from any further visits at this institution. Visitors cannot be dropped off.

# VISITATION

GCCC encourages prisoner visitation because strong family and community ties increase the likelihood of a prisoner's success after release. It is the prisoner's and visitor's responsibility to conduct themselves properly during visits, not to accept or pass contraband, and not violate the law or visiting regulations. Personal visitation for a prisoner's visitor(s) is a privilege, not a right.

Due to limited space at the facility, each prisoner will be allowed no more than four (4) visitors at any one time, including children and infants.

Exceptions to this rule may only be approved at the discretion of the Superintendent III or designee and on a case-by-case basis.

Visitors will not be allowed to depart the facility and return on the same day, unless advanced written approval has been granted by the Superintendent III or designee.

### **Special Visits**

Special visits are visits that take place out of the scheduled time for visiting and must be arranged by the prisoner in advance through the Superintendent III or designee. Visitors still need to be approved for these visits to be granted. These visits will only be granted for exceptional cause such as approved visitor(s) traveling from an extended distance. Extended distances include traveling from anywhere outside of the Matanuska-Susitna valley and Anchorage bowl. Extra visiting time during these visits may be granted at the discretion of the Superintendent III or designee on a case-by-case basis, based on space and staff availability.

### **Visitor Registration**

Family and friends of a prisoner must be approved before they will be placed on a prisoner's visiting list. To obtain approval to visit a prisoner, a potential visitor must complete a visitation application form, even if the visitor has been previously approved to be on another GCCC Prisoner's list.

Applications are processed, reviewed and either approved or denied by the Superintendent III or designee. A criminal history check is done on all prospective visitors.

Prisoners must also submit a completed Adult Visitor's Application or Minor's Visitor application for each potential visitor. Either application must include the potential visitor's date

of birth, social security number, relationship, complete mailing and physical address, a telephone number, and email address. Adult visitors also need a driver's license or identification number and state of issue. All visitors must be verified and/or approved in advance prior to visitation.

If one section is not filled out there must be an explanation of why. Incomplete Visitor Application forms will be denied, and the prisoner will be notified of the reason.

Visitors, sixteen (16) years and older, must have current photo identification with them such as a current and valid driver's license, state-issued identification card, passport, or other government-issued photo identification.

A minor visitor (under eighteen (18) years of age) must be accompanied by an approved visiting parent or legal guardian. A minor who is an immediate family member of the prisoner may be brought in by an approved adult visitor who is an immediate family member (Mother, father, sister, brother, son, daughter, wife or husband). Proof of relationship to minor visitors who are family of the prisoner is the burden of the prisoner and visitor and will require a birth certificate. A court order prohibiting a prisoner having visitation/contact with a minor during probation, or as a condition of release on unsentenced cases, applies during incarceration.

Court emancipated minors, including spouses, will be approved for visitation in the same manner as adult visitors.

Potential visitors who are presently on any supervised probation or parole must obtain written approval from their Probation Officer prior to being approved for visiting. The visitor must then be approved by the Superintendent III.

Visitors will not be approved if they were released from a correctional facility within the preceding 60 days, unless the Superintendent III pre-approves the visit. This does NOT apply to a prisoner's immediate family members, a visitor who was acquitted at trial or the visitor's charges were dismissed and they were released.

Periodically a prisoner's approved visitor list will be reviewed. If a visitor is found to have become ineligible for visitation the visitor and prisoner will be notified in writing.

### **Visitor Attire**

All visitors must be fully dressed in appropriate, conventional clothing, which is not unduly provocative, suggestive, or revealing and does not resemble prisoner attire. The following clothing is prohibited, but not limited to:

The State of Alaska reserves the right to bar access by anyone to this facility who is attired in clothing or costume that:

- Hides or obscures their identity
- Is meant to antagonize others into verbal or physical confrontations

### **Visitor Screening**

All visitors will be screened utilizing the walk-through metal detector and/or hand-held metal detector. Jewelry is limited to wedding bands and religious items only.

Any person who fails to pass the metal detector screening or is improperly dressed will be denied entrance to the institution. Visitors who also appear to be under the influence of alcohol/drugs will be denied entry into the facility and will have to leave the premises. If any person travels with someone suspected of being under the influence all parties will be asked to leave.

If a person cannot pass the metal detector due to medical reason, they must consent to a "pat" search of their person or they will be denied admittance.

Approved items for visitors are as follows: photo ID, prescription medication necessary to the immediate preservation of life (i.e. asthma inhaler or nitroglycerin pills), and if with a child under one-year-old one plastic baby bottle or sippy cup, one pacifier, one diaper and no more than 5 baby wipes in a clear Ziploc bag. Food and drink to include candy and gum is prohibited with the exception of baby formula. GCCC lockers will be available upon request at the front desk.

When the admittance of a visitor comes into question the Security Staff Sergeant will be notified.

## **Visiting Rules**

All prisoners and visitors must abide by the facility rules, DOC Policy and Procedures, GCCC Standard Operating Procedure, and instructions of staff members. Prisoners and visitors will follow all instructions of staff promptly. All visitors must sign an acknowledgment of the GCCC Visitation rules prior to their first visit.

During contact visiting, visitors and prisoners are limited to a brief embrace upon the beginning and end of the visit. Holding hands, hand shakes or any other physical contact during a contact visit will be grounds for visit termination.

Prisoners and their visitors are to remain in their assigned seating during their visit unless authorized by staff to move. All chairs will be spaced on opposite sides of the table and may not be moved from their position. Visitors and prisoners are not permitted to sit side by side. During special functions visitors can move around but all other GCCC visiting rules on physical contact and behavior will be abided by.

Minors must always be supervised by the escorting parents/guardians and must monitor their children's behavior and provide appropriate control of their children while on facility grounds. Unruly children may be cause for visit termination. Physical punishment, generally defined as any measure intended to be injurious to an individual, is prohibited during visits. Verbal corrections and time-outs are the only allowable forms of discipline during visits. Minors will not sit on a prisoner's lap. Children will remain in their assigned seat with their parents/guardians unless escorted by their parent to and from the play area.

There will be no running or throwing of objects in the visiting area.

Prisoners and visitors will not be permitted to get up from their seats at the same time. Prisoners and visitors may not visit with other Prisoners or their visitors. No prisoner may enter the visitor's bathroom. Visitor bathrooms are for visitors only.

Undue delay in leaving the prisoner visiting area after visiting has ended will lead to suspension or revocation of visiting privileges.

Visitation is scheduled for one hour, but it may be necessary, on occasion, to limit the amount of visiting time in order to relieve overcrowding. In this event, volunteers may be solicited for them to end their visit. Should this method prove ineffective, visits will be terminated based on the distance traveled. Visitors who reside in the local area and visit frequently will have their visits terminated, and the remaining visits will be terminated in the order they arrived until the overcrowding situation is addressed. Visitors are allowed one visit per scheduled day. Visitors may not leave or terminate their visit and return later to resume their visit on the same day.

Visitors are not allowed to bring cameras/cell phones in the facility. Prisoner photographers are available upon request and with approval during contact visiting at the prisoner's expense. Watches or "fit-bit" type bands or any watch with recording or video capabilities is prohibited.

The supervising staff member has the discretion to terminate a visit for any disturbance. During an emergency or disturbance, staff may ask that all visitors leave the facility immediately. GCCC will not tolerate disrespect or aggressive behavior to include loud, threatening, abusive, or profane language; verbal or physical altercations towards staff members, prisoners, or visitors; or improper use or abuse of state property. Visiting privileges will be suspended or revoked for disruptive behavior or violation of visiting rules.

Restrictions or loss of contact visitation privileges will be at the discretion of the Superintendent or designee for any violation or attempted violation of any state or federal law, Alaska Administrative Code, Policy and Procedure, GCCC SOP, memorandum, or failure to follow staff instructions.

The secure visitation area prohibits physical contact. Secure visiting is available on a first come, first serve basis and may not be reserved in advanced.

A prisoner is not allowed to receive from a visitor any item to include but not limited to: packages, letters, food items, money or gifts from outside the facility. If there is reason to believe that contraband is being passed, the contraband will be confiscated, and the visit may be terminated by the Shift Commander.

The violation of visiting rules, or visiting room procedures, by a prisoner and/or their visitor(s) may result in termination of the visit, the temporary or permanent loss of visiting privileges for the visitor(s) and could result visiting restrictions and/or disciplinary actions for the prisoner and/or criminal charges for the prisoner and visitor(s).

Pets are not allowed on facility grounds and may not be left in parked vehicles with the exception of service animals.

**Service Animal:** Under the ADA, a service animal is defined as a dog that has been individually trained to do work or perform tasks for an individual with a disability. The task(s) performed by the dog must be directly related to the person's disability. Service Animals are only allowed at the discretion of the Superintendent III. If, at the time of the visit, admitting the service animal will "fundamentally alter" any program or activity, the service animal may be prohibited at that time. Visitors must obtain permission prior to the approved visit. Service Animals are to be under the control of the handler at all times.

The service animal must be leashed, harnessed, or tethered while on facility grounds. If a service animal is out of control and the handler does not take effective action to control it, staff may request that the animal be removed from the premises. Emotional support, therapy, comfort, or companion animals are not allowed.

In situations where it is not obvious the dog is a service animal; staff may ask only two specific questions per the ADA:

- (1) is the dog a service animal required because of a disability?
- (2) what work or task has the dog been trained to perform?

Staff are not allowed to request any documentation for the dog, require that the dog demonstrate its task, or inquire about the nature of the person's disability.

### **Visitor Warning – Contraband**

It is a state crime (AS 11.56.375 and AS 11.56.380) to bring upon the facility grounds any weapons of any sort, to include pocket or utility knives, intoxicants, drugs, tobacco products or other contraband or to provide, or attempts to provide, to a Prisoner. Contraband includes anything that the visitor or prisoner exchanges without the Superintendent's approval.

Introduction of contraband into a correctional facility is punishable by up to five (5) years imprisonment and \$50,000 fine (AS 11.56.375).

All persons entering upon these premises are subject to routine searches of their person, property (including vehicles and lockers), and packages. The Superintendent, upon reasonable suspicion that a person may be introducing contraband or demonstrating actions that might otherwise endanger facility safety, security, or the orderly operation of the facility, may restrict the visit.
